# Henrik Paulsson new CEO of Brummer & Partners

---

Henrik Paulsson has been appointed new CEO of Brummer & Partners AB as Ola Paulsson resigns at his own request. Henrik Paulsson has worked in the group since 2010, mainly as CEO for B & P Fund Services AB and is since 2021 partner at the parent company. The management has further been strengthened with the addition of Johanna Ahlgren as Executive Director & General Counsel.

– Henrik has long experience and in-depth knowledge of our business. He will be able to step into the role quickly and is well acquainted with the task, says Patrik Brummer, chairman of Brummer & Partners AB and Brummer Multi-Strategy AB.

– I'm happy for the vote of confidence and will meet the assignment with humility, says Henrik Paulsson.

– We thank Ola for his great contributions over the last 18 years at Brummer & Partners, both as CEO and prior to that at other positions within the group, concludes Patrik Brummer.

Brummer & Partners is a leading European hedge fund manager bringing together portfolio managers which pursue different investment strategies under a single corporate umbrella. As a group, the firm

manages over USD 15.6bn on behalf of institutions and individuals. The group is headquartered in Stockholm, with offices in seven countries, and has a total of around 300 employees.

Brummer Multi-Strategy (BMS) invests in various absolute return focused strategies managed within the Brummer & Partners group as well as investment mandates run exclusively for BMS. The goal for BMS is to deliver a competitive risk-adjusted return over time, irrespective of the market environment, with a low correlation to traditional asset classes such as equities and bonds. BMS's portfolio consists of thousands of positions which are monitored in real time. Read more at [brummer.se](https://brummer.se)
